

NINETY-SIXTH LEGISLATURE

LEGISLATIVE RESOLUTION 158

Introduced by Kiel, 9

PURPOSE: The purpose of this study is to examine the ways in which the State of Nebraska can promote gun safety within the state in order to create a safer and less violent environment for its citizens. Components of the study may include, but need not be limited to:

1. That a committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.
2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
